

I want to thank you for using the incredible mind and skill which the Lord God gave you to help so many people including myself. On March [REDACTED] it will be five years since you gave me a quadruple heart by-pass.

I just wanted to say thank you and may the Lord bless you and your family as you continue to help extend the lives of so many. You and the Lord make a great team. And as you once told me, "We certainly know the MVP of that team .

May the Lord bless you with His joy and peace as you serve Him by serving others!

God bless you!
